

Coast Fork Ed/Outreach Committee Meeting 6/22/09

Next Meeting: August 3rd 5pm

Attendees: Deb Schmidt, Tami Schroeder, Donna Long, Dave Cunningham, Gail Hemsoth, Pam Reber

RoundRobin:

- Reviewed past and upcoming events (see below)
- Gail requested Jerina's contact info & the group signed a thank you card to her.

Event Roundup:

- June 17-20th EEAO Leadership Training attended by Gail, Pam, Steph, Vickie Costello, Jackie Fern, & Beverly Wilson—nice chance for STREAM folks to discuss next year.
- June 18th EDRR Training with Tania Siemens—well attended.
 - Pam informed the group that convening agency partners who are working on the invasive species issue is an interest for later this year.
 - Tami said the Corps of Engineers is posting educational posters on aquatic invasive species at the boat ramps; they are interested in further collaboration.
- June 23rd 6pm Urban Forestry Committee Tours Old Growth east of CGHS
- June 26th 8am Invasive Species Group meets at East Regional Park
- July 4th 4-7pm Garden Lake Nature Pavilion Dedication
 - Deb, Donna, Gail agreed to volunteer.
- July 12th Sunday 9am-noon East Regional Park Work Party with Invasive Species Group.
 - Gail & Pam working on outreach.
 - Dave & Julie to lead invasive battle.
 - Tania to give a short version of an EDRR training.
- July 16-19th Bohemia Mining Days Tabling
 - Invasive Species Group discussed having a plant ID day focused on invasive species. The EO group suggested having live (invasive) plants on display at the event. Pam will contact Tania about securing those.
 -

July 4th Garden Lake Volunteer Schedule (that would assume we cancel Holt Park):

Booth Setup 10a-1pm (sometime in there):

Deb Schmidt

& Pam (hoping to head to parade at 11a)

Event Prep/Booth Oversight 2-5pm

Pam trains High School Trail Guides at 3:30p or so (not available for booth).

Booth shift & Breakdown/Transport 5-7p (3 people needed, 1 could be breakdown/transport)

Bohemia Mining Days Volunteer Schedule

Thursday July 16th

Setup—Pam plus someone with a truck or station wagon

4pm-7pm _____

7-10pm _____

Friday July 17th

10am _____

1pm _____

4pm _____

7pm _____

Saturday July 18th

10am _____

1pm _____

4pm _____

7pm _____

Sunday July 19th—Pam possibly out of town

11am-2pm _____

Breakdown—Someone with a transport vehicle and an office key. _____

July Tour:

Date: July 22nd at 6pm was discussed, but now Pam likely has a conflict. She will shoot for July 29th at 6pm in pursuit of the following possible topics:

- Oregon State Marine Board on aquatic invasives
- Native Plant Garden Tour
- Possible BLM Tour
- Molly USFS Willamette Prairie Tour (near Oakridge divide)

- **NEW IDEA:** a speaker on managing ponds—the chemicals used to control algae, why algae forms, the way ponds are used by wildlife, native & nonnative vegetation, etc. Aqua Serene may be experts in this area.

August Picnic: possible dates August 23rd or 30th

Location ideas:

- Rujada Campground (popular as it has a long table & covered area)
 - Close enough to June Mountain to have a tour to the caves first(is this true?)
- Schwartz Park
- Wilson/Lakeside/Shortridge Parks on the reservoir would allow boating & swimming.
- Cedar Creek Campground/Lund Park—no central area to gather currently.

Speaker Idea:

- Al Kennedy from Kennedy Alternative School
- Bud Taylor (?) Pam does not know how to contact if this was meant as a speaker idea.

Discussion around Historical Society, Bud & Sue Taylor.

October Public Meeting: Invasive Species Group to Report Out/Give Update, possibly with a guest speaker on the topic.
